Collective Worship Policy

Our vision:

Learning as we grow, Growing as we Learn, Rooted in Jesus

We are a small, rural school at the heart of the local community where everyone has a valuable contribution to make to school life. Our vision is rooted in The Parable of the Sower (Luke 8 v4-15).; reflective of the abundance of apple trees and rich farming land framing our school grounds the Parable of the Sower resonates with us. We believe that each member of our school community is like one of the seeds that has been scattered by the farmer. For each seed to grow into the healthiest, strongest plant it can be, it needs firm roots, nutrients and sunshine. At St Margaret's, we feel privileged to be able to provide the best 'growing conditions'. Through strong and purposeful links with parents and the wider community, our children are supported at this school.

We set high academic standards for our pupils and are committed to providing a range of exceptional experiences 'that go above and beyond', available to every pupil so that they can flourish. We aspire to develop self-worth, motivation and resilience in our staff and pupils so that they have all they need to live fulfilled and enriched lives.

How is this policy a reflection of our distinctive Christian vision?

Absolutely central to the planning and daily act of worship is ensuring the pupils and adults have the opportunity to consider and reflect on the connection between all biblical teaching including the Parable of the Sower, our school values and therefore how we should live out our lives so that together we are all creating a community where everyone can grow and flourish spiritually.

An Introduction to collective worship in St. Margaret's Collier Street CE school

As a Church of England school collective worship is central to our school life. It brings and gives life to all we do. Collective worship is a sacred and significant time of each school day, where we gather together as a school family.

Collective worship strengthens and supports the Christian identity of our school, reaffirms our vision and associated values of friendship, fairness, helpfulness and respect and celebrates the central role that each pupil and adult have to play in our community.

Our acts of collective worship reflect the variety of traditions found in the Church of England and recognise and follow the Christian liturgical year. The daily Christian act of worship is central to our ethos and is supported by all staff and governors. It makes an important contribution to the overall spiritual, moral, social and cultural development of the whole school community.

Each adult and pupil will experience worship that is truly welcoming, inclusive and exemplifying the principles of Christian hospitality.

Collective worship therefore will be:

- **Inclusive** – Our acts of worship recognise that pupils and staff come from homes of different faith backgrounds as well as no faith backgrounds, so it will be inclusive of, and fully accessible to all. Care will be taken to ensure that language used by those facilitating worship avoids assuming faith of those participating, listening or watching.
- **Invitational** – In our acts of worship, there is no compulsion to 'do anything'. Rather, worship will provide the opportunity to engage whilst allowing the freedom of those of different faiths and those who profess no religious faith to be present and to engage with integrity. Pupils and adults will only be invited to pray and sing if they wish to do so.
- **Inspiring** – By asking and discussing big questions about who we are and what we do in worship we hope to motivate pupils and adults into action. There will be opportunities to think, reflect and ponder on their and the wider community's behaviour and actions.

Aims of collective worship

Collective Worship offers pupils, staff and the wider school community the opportunity to:

- Gather together to share sacred moments of joy, challenge, grief and love.
- Explore the school's distinctive Christian vision and values in action
- Reflect on the nature of God and on the teachings of Christ through Biblical texts
- Express praise and thanksgiving to God
- Be still, pray and reflect
- Explore the big questions of life and respond to national events
- Foster respect and deepen spiritual awareness
- Explore Christian values and attitudes
- Share each other's joys and challenges
- Celebrate significant and special times in the Christian calendar

In line with the requirements of the requirements of the Statutory Inspection of Anglican and Methodist Schools (SIAMS) schedule, we aim to ensure that collective worship:

- a) Offers the opportunity, without compulsion, to all pupils and adults to grow spiritually through experiences of prayer, stillness, worship and reflection whether they are engaged in learning in school or at home.
- b) Enables all pupils and adults to appreciate that Christians worship in different ways, for example using music, silence, story, prayer, reflection, the varied liturgical and other traditions of Anglican worship, festivals and, where appropriate, the Eucharist.
- c) Helps pupils and adults to appreciate the relevance of faith in today's world, to encounter the teachings of Jesus and the Bible and to develop their understanding of the Christian belief in the trinitarian nature of God and its language.
- d) Enables pupils as well as adults to engage in the planning, leading and evaluation of collective worship in ways that lead to improving practice. Leaders of worship, including clergy, have access to regular training.
- e) Encourages local church community partnerships to support the school effectively in developing its provision for collective worship.

The Anglican Christian Tradition

The following are shared as Christian elements of collective worship through invitational and inclusive language:

- Exploring the Christian understanding of God as Father, Son and Holy Spirit
- Using the Bible for inspiration, stories and guidance
- Observing the cycle of the Church's Year – Advent, Christmas, Lent, Easter, Pentecost and Saints Days amongst ordinary days
- Saying prayers from a number of sources, in particular the Lord's Prayer and the blessings in common use
- Singing a wide variety of hymns and songs from traditional to modern
- Experiencing Christian symbols in worship and reflecting on their meaning
- The use of prayer, silence and reflection

We may also use elements which are more distinctively Anglican including using Anglican sentences and responses at the beginning and end of worship.

Implementation

Collective worship is planned and delivered by a variety of stakeholders including staff, pupils, the incumbent of our local church and external visitors including Family Trust in consultation with the collective worship leader. This act of worship takes place at the beginning of the school day. The usual weekly pattern is as follows:

- Monday: The Headteacher – launches the theme for the week
- Tuesday: Teaching staff/visitors/Leading Lights
- Wednesday: Praise and Reflect – led by the Headteacher and Music Teacher. Includes time for reflection, reference to words in the hymns and a prayer.
- Thursday: Class act of worship/Visitors
- Friday: Senior Teacher – Following worship, certificates are awarded for living out our vision/values

Our worship plans use planning guidance from Rochester and Canterbury Dioceses which if necessary will be adapted and changed to meet the needs of our community. This ensures that there is a shared understanding of the long- and short-term planning of worship and this enables continuity.

We are mindful of the variation in personal spiritual styles and provide a range of creative opportunities to enable all to engage in the acts of worship. These include reflection, silence, music, drama, films and quizzes.

As a school, our worship consists of 4 stages:

- **Gather** – we welcome the community, for example, (with music and the lighting of a candle with a Year 6 volunteer saying ‘May the Lord be with you’)
- **Engage** – we share, for example, (a Bible reading, followed by an activity to engage pupils with the Christian message)
- **Respond** – pupils, for example, (discuss, share, reflect, pray or sing)
- **Send** – we share, for example the message of the worship again and ask pupils to think about how they will affect their day, their learning and their conduct. How will they ensure that everyone can grow and flourish? We close with a final prayer, music and the blowing out of our special candle.

Expectations of pupils

In this school, there is an expectation that all pupils will be involved within worship on a regular basis. This may be planned opportunities such as some drama, reading the bible passage for the day or leading us in prayer or perhaps unplanned through questioning, asking for volunteers or simply responding to moments of spontaneity. They may also perform by playing their musical instruments as well as volunteering to undertake various roles including using IT/setting up of worship.

Pupils are invited to evaluate and reflect on the impact of acts of worship they have joined with. Their feedback is integral to reviewing the structure, content and in shaping future plans for worship.

Pupil worship leaders known as ‘Leading Lights’ are supported, encouraged and resourced to contribute meaningful acts of worship alongside other roles (see website). They work alongside

a volunteer from the local community to develop their own understanding of worship and to plan acts of worship to support the spiritual development of their peers.

Developing worship

Parents, pupils and adults in St. Margaret's, Collier Street school are entitled to be led in worship by those who have a secure understanding of the nature of collective worship in a Church School context.

Therefore, all those leading worship, including clergy, should have access to regular Diocesan led training.

The leader for collective worship will:

- Ensure that all pupils have access to a daily act of collective worship, therefore meeting statutory requirements.
- Ensure that collective worship is inclusive, invitational and inspiring.
- Attend regular training and network meetings within the Diocese
- Produce and regularly review the collective worship policy to ensure that it remains reflects current practice and thinking.
- Liaise with the Governors to feedback on the monitoring and impact of collective worship across the school.
- Ensure all stakeholders know what the expectations of worship are when leading, planning and joining worship.
- Join those who are leading worship to provide supportive feedback on how worship could be developed.
- Evaluate the impact of collective worship on the whole school community by gathering pupil and adult voice.
- Signpost staff to a wide range of resources to ensure that worship is both inspiring and engaging.
- Support colleagues by sharing new ideas and resources, to help develop their confidence in leading acts of worship.
- Ensure there is a school protocol, that covers safeguarding procedures and a suitability process, for when visitors are invited to lead collective worship.
- Meet with and encourage the volunteer who works alongside the pupil leaders of worship to enable them to plan, lead and evaluate acts of worship.

Visitors leading worship

Visitors to our school are asked to read and comply with our school visitor and safeguarding policies (available on our website and a leaflet at the point of signing in). This should include discussing the content of any worship with a member of the senior leadership in order to ascertain its suitability for the school community. Visitors are never left alone with children as the supervision of pupils remains the responsibility of school staff.

It is the responsibility of the Headteacher to ensure that all visitors, who are leading worship in school, will be trained and properly briefed about the school, its pupil context and our school's vision. They will be supported and monitored as part of the ongoing evaluation process of worship.

Self-assessment and Inspection

Using the latest suggested Diocesan format, our school regularly evaluates all acts of collective worship and the impact they have on the school and our wider community. This involves monitoring by school leaders, pupils and governors in order to grow and develop.

Through our annual questionnaire and governor representatives at parent/teacher consultations, we welcome the contributions of parents which are reviewed and considered on a regular basis. These are shared with the governing body and play an integral part in developing the spiritual growth of the school.

The impact of collective worship is independently inspected by law under Section 48 of the Education Act 2005 (SIAMS).

Parental Withdrawal

Worship is regarded as special time in our school day where we gather as a school family. Reflecting our ethos as a Church of England school, collective worship is an inclusive opportunity for those of all faiths and none to be present with integrity. We respect the legal right of parents to withdraw their child/children from acts of collective worship, so would welcome the opportunity to discuss this decision with them. Following these discussions, any desire to formally withdraw children from worship must be done via a letter to the Headteacher.

What is Collective Worship?

Legislation requires schools, including Voluntary Aided and Voluntary Controlled schools, to conduct daily acts of Collective Worship. However, the legislation does not define what is meant by the term 'Collective Worship'.

"... Worship in schools will necessarily be of a different character from worship amongst a group with beliefs in common. The legislation reflects this difference in referring to 'collective worship' rather than 'corporate worship'. (DfE Circular 1/94 para 57)

Corporate worship assumes a shared set of beliefs and values, i.e. a worshipping congregation meeting on a Sunday, where the worship is confessional and evangelistic (to spread the Christian gospel by public preaching or personal witness).

Collective worship, in recognising the collectivity of all participants, can make no such assumption that all have the same beliefs and values.

Collective Worship should be:

*"Appropriate to the family backgrounds of the pupils and their ages and aptitudes."
(DfE Circular 1/94 p.22)*

Therefore, collective worship in Church of England schools must be inclusive and invitational of all, to ensure all can be present with integrity.

The legal requirements of collective worship in Voluntary Aided and Voluntary Controlled schools.

- Be conducted in accordance with the provision of the Trust Deeds of the school and Instrument of Government and should be consistent with the beliefs and practices of the Church of England
- The Governing Body should ensure that **all** pupils **each day** engage meaningfully in a real act of Christian worship which is in accordance with the faith and practice of the Church
- Arrangements for collective worship, in foundation schools of a religious character, are the responsibility of the Governing Body, after consulting with the Headteacher (*DfE Circular 1/94 para 52 & 53*)
- All acts of worship in Church schools must be Christian in character (based on Biblical teachings)
- **All** registered pupils (apart from those whose parents exercise the right to withdraw) must on 'each school day take part in an act of collective worship'.
- If the parent asks that a pupil should be wholly or partly excused from attending collective worship at the school, then the school must comply. (*Education Reform Act 1988. s9 (3)*) The school continues to be responsible for the supervision of any child withdrawn by its parent from collective worship.
